\*All Field Trips are subject to change for any reason. We are going to do our best to stick to the Calendars. In the past, we have had to make very few changes to trips. However, with Covid and everything else going on in the world, we are going to have our fingers crossed that nothing alters our Calendars. If unforeseen circumstances force us to change our Calendars for any reason, we will do our very best to adjust on the fly and bring the same level of energy and fun regardless of where or what we are doing.
